

# GO FOR THE GOLD

## GYMNASTICS REVOLUTION

The tradition at Gymnastics Revolution is to end our season with a giant show - a chance for all of our young gymnasts to show off their skills, a chance for all of our parents to get some great video and photos of their kids, and a chance for the coaches to see their athletes perform! This year's Go For the Gold events will take place on Sunday, June 26th.

Session One of the Go For the Gold events is specifically for our preschool students. They will be learning a complete circuit during classes over the next several weeks, and will perform that circuit for all of the parents and families watching that day.

Sessions Two, Three, and Four are modeled on a true gymnastics competition - each gymnast will perform her routines on the four Olympic Events, as practiced during our regular classes. There is even a light-hearted award ceremony after the competition ends - and while everyone will receive some awards, a few will receive special awards for top placements! Gymnasts will be allowed to sign up for any one of the Competition sessions (sessions 2, 3, and 4), with one exception: All of the girls in Advanced classes will be required to be in Session Three, starting at 1:30. All other students are welcome to come to any of the sessions - as long as there is space!

In order to participate, you will need to do two things: First - Sign up for the show/event of your choice online - visit [www.gymnasticsrevolution.com](http://www.gymnasticsrevolution.com), click on the "register now" button, and follow the prompts. Second - fill out the form below and return it on or before May 14th, so that we can get your child's leotard or T-Shirt ordered. Then, you're done! We look forward to an awesome end to the year, and thank you for being a part of the Gymnastics Revolution world!

There is NO FEE to enter this event, and there will be NO FEE to attend that day - so bring the family, bring the friends, and come enjoy a great day of gymnastics!

While you are online signing up for the Go for the Gold show, check out the summer schedule - we are now taking registration for Summer Classes!

**Session One:** All PreSchool gymnasts!  
9:00 AM
